Company Tour: EAA AirVenture

This semester SHRM members were given the opportunity to connect with the human resource professionals at EAA AirVenture, along with receiving a tour of the fascinating museum. Students toured the museum, learning about the history of aviation. After the tour was complete, students were able to talk with the HR professionals at EAA. They learned about how the HR business partners handle on-boarding and training of their hundreds of seasonal and event staff.

HR Social

UWO SHRM hosted an HR Social at Mahoney's in Oshkosh. Members from the different SHRM chapters, along with students and other professionals, were able to learn about the various opportunities in the Human Resource field. Additionally, students were able to network with HR professionals.

Volunteer Events

Run with the Cops

SHRM's first volunteer event of the semester was at the Run with the Cops at UWO. We cheered on participants who were running alongside local law enforcement officers in support of Special Olympics.

Oshkosh Area Community Pantry

Volunteers spent their Saturday morning helping at the community food pantry by stocking the shelves and making napkin bundles. The SHRM volunteers were able to make an impact on members of the Oshkosh community by contributing their time and efforts to support this wonderful organization.

Congrats, Raelena!

Congratulations, Raelena on your graduation! You have done so much for SHRM during your time here at UWO. Best of luck in your future endeavors at EAA, you will do great things!
